SUN POWER TOP COAT

Special transparent extra shining top coat, with gel effect and ultra fast drying times. Thanks to the innovative UV technology, it extends nail polish life with a special crystalline look. Drying is activated by natural light through the power of sunlight.

10 ml code 22012

BASE & TOP COAT

Base and top coat in one product. Protects natural nail and ensures an excellent final shine.

10 ml code 22010

GEL EFFECT TOP COAT

Volume effect top coat. Protects and extends color life with a great shine and gel look like.

10 ml code 22014

MILKY BASE

Milky base with delicate covering effect. With strengthening properties thanks to Hexanal, a clinically tested strengthener. Can be used as a base under nail polish or alone for a natural and glossy effect.
