**Lash Lift**

PROFESSIONAL FORMULA

Lash Lifting  
keratin system

## The innovative keratin Lash Lifting system

**Lash Lift** is a professional lash lifting treatment for permanent curl, volume, nourishment and color to natural lashes.

Thanks also to the nourishing complex **based on keratin**, Lash Lift helps to emphasize natural lashes, giving them **volume, structure and shine**, for a more intense look. Lash Lift can be performed on any type of lashes and the level of curl can be customized. **The result is extraordinary.**

Volume and structure  
for a more intense look

Thicker and brighter  
eyelashes

Permanent,  
resistant and  
impressive curl

Ideal for every  
type of eyelashes

Suitable in combination  
with eyelash tint

Immediate and  
long lasting result

Nourishment for  
natural eyelashes

Excellent  
professional quality

Also suitable for  
eyebrows

**Innovative keratin based formula  
to reinforce natural lashes**

# Lash Lift

## Products

### PERMING LOTION EXPRESS

Lotion to give curl to the lashes. It gently opens the hair structure to achieve a perfect eyelash lift. Leave on for 5 minutes. It is removed with dry Lint Free Applicator.

5 ml code 70201

### FIXING LOTION

Lotion to fix the curl of the lashes. It helps re-build the structure of the hair with the new desired curl. Leave on for 10 minutes. It is removed with Lint Free Applicator moistened with warm water.

5 ml code 70202

### KERA BOOSTER

Restructuring, nourishing and thickening balm based on keratin, which penetrates the eyelash structure stimulating growth for an exceptional soft and silky final result. It is applied at the end of the treatment.

5 ml code 70203

### LASH LIFT GLUE

Specific fast-acting glue to make the lashes adhere to the Silicone Roll. Dries in 3-4 seconds, water-soluble, it is removed with Lint Free Applicator moistened with warm water.

5 ml code 70151

### KERA LASH CLEANER

Non-oily solution for cleaning and removing all makeup from the eye area. The formula contains keratin, ideal for giving elasticity and strength to the lashes.

100 ml code 70207

### LASH MOIST

Moisturizing and revitalizing serum, ideal for eyelashes and eyebrows daily treatment. Thanks to the rich formula based on Panthenol, Silk Proteins, Hyaluronic Acid and Aloe Vera, it gives softness and shine to the natural hair, improving the benefits of lash lifting.

5 ml code 70208

## Products

### LINT FREE APPLICATOR

Disposable brush with soft fiber tip that does not lose bristles, indispensable to remove the product during the treatment phases.

20 pieces code 71104

### EYELASH BRUSH

Brush with semi-rigid bristles to comb the lashes at the end of the service. The final touch for an impeccable result.

20 pieces code 71105

### MICRO APPLICATOR

Disposable brush with tiny microfiber tip, useful to pick up the right amount of product during lash treatment.

100 pieces code 71106

### AIR BLOWER

Practical soft rubber pump to accelerate product drying during the treatment.

Code 71122

### SILICONE ROLL

Silicone curlers designed to fit all types of eyelashes. Their special shape allows you to choose between 2 different curls depending on how the curlers are placed.

Washable. Box with 3 mixed sizes.

10 pieces code 71102

### EYE GEL PATCH

Disposable anatomically shaped self-adhesive patches containing refreshing gel for gentle protection of the lower eyelids. Very easy to remove.

10 pieces code 71101

### LASH LIFT COMB

Small plastic comb with two different sides: a flat one, to make the lashes adhere well to the curler; a notched one, for perfect lash positioning.

Code 71103

### ADHESIVE TAPE

Medical hypoallergenic PE adhesive tape. It can be used in the area around the eyes to isolate the lower lashes and to fix Eye Gel Patch.

Code 71123

# Lash Lift

## LIFTING TOOL

Crochet-shaped stainless-steel tool with extra thin curved tip to lift and place even the smallest lashes on the curler.

Code 72101

## LASH MIRROR

Stainless-steel mirror for checking the correct positioning of the eyelashes during the different application steps.

Code 72102

## OXIDANT CREAM

3% vol. Oxygen for eyelashes and eyebrows tinting only. To be mixed with Eyelash Color to obtain a perfectly covering color.

Code 70301
